

## Webbed EZ Twist Lock

Fast economical way to securely position and hold wires, cables or tubing.

Part Number	Cable Diameter Range (mm)	Overall Height (mm)	Label Length (mm)	Label Width (mm)
15-PLCW05	5.6	72	32	19

Material: Natural Nylon 6/6

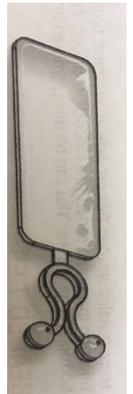

## Label Twist Lock

Nylon twist lock with integral area for writing. Permanent ink pens, felt pens, pressure-sensitive adhesive labels, or even post-it notes can be used on the polished label area.

Part Number	Cable Diameter Range (mm)	Overall Height (mm)	Label Length (mm)	Label Width (mm)
15-PLCL06	6.4	79	50.8	19
15-PLCL09	9.4	83	50.8	19

Material: Nylon 6/6

## Alien Lock

Ultimate in box security fasteners. Easy and fast to insert and incredibly strong, it cannot be pulled out without it being obvious that the box was tampered with - it must be cut off. Easier and cheaper solution than banding or taping your boxes.

Part Number	Width	Height
06-ALIENHOOK	38	50

Material: Natural Nylon 6/6
